**ENGINEER GOLD MINES LTD.
COMPLETES PRIVATE PLACEMENT OF SUBSCRIPTION RECEIPTS**

VANCOUVER, March 27, 2018 - (TSXVE: BCK) – Blind Creek Resources Ltd. (“Blind Creek” or the “Company”) is pleased to announce that, further to its press release of January 19, 2018, Engineer Gold Mines Ltd. (“Engineer”) has completed its previously announced non-brokered private placement financing of subscription receipt (the “Engineer Private Placement”). The Offering was oversubscribed as Engineer has issued and sold an aggregate of 7,600,000 subscription receipts (the “Subscription Receipts”) at a subscription price of \$0.10 per Subscription Receipt for gross proceeds of \$760,000. Engineer, a wholly-owned subsidiary of Blind Creek, was incorporated in connection with the previously announced plan of arrangement of Blind Creek and Engineer (the “Arrangement”) under the *Business Corporations Act* (British Columbia) pursuant to which Blind Creek will spin out its Engineer Gold Mines property to Engineer in consideration for common shares of Engineer. Blind Creek plans to distribute the Engineer common shares to its shareholders on a pro-rata basis upon completion of the Arrangement. There can be no assurances the Arrangement will be completed on the proposed terms or at all. Further information can be found in Blind Creek’s January 19, 2018 press release and the Arrangement agreement, both of which are available under Blind Creek’s profile on www.SEDAR.com.

All funds raised in connection with the Engineer Private Placement will be held in escrow pending satisfaction of certain escrow release conditions (the “Escrow Release Conditions”), as set out below. Upon satisfaction of the Escrow Release Conditions, the Subscription Receipts will automatically be exercised, without payment of any additional consideration and with no further action on the part of the holders thereof, for units of Engineer (the “Units”). Each Unit is comprised of one Engineer common share and one-half of one share purchase warrant (the “Warrants”). Each whole Warrant is exercisable to acquire one Engineer common share at a price of \$0.15 per share for a period of two years following the issuance of the Warrants.

The Escrow Release Conditions are substantially as follows: (i) all conditions to the completion of the Arrangement pursuant to the Arrangement Agreement (other than the release of the Escrowed Proceeds), shall have been satisfied; (ii) the receipt of all regulatory approvals required for the Arrangement to be completed (including that of the TSXVE); (iii) the receipt of all required shareholder and Blind Creek Board of Director approvals required for the Arrangement; (iv) receipt of gross proceeds of no less than \$500,000 from the Engineer Private Placement; (v) the Supreme Court of British Columbia issuing a final order in connection with the Arrangement; (vi) no material change having occurred in respect of Engineer or Blind Creek; and (vii) the Company shall have delivered a release notice to the Subscription Receipt agent confirming that items (i) through (vi), inclusive, have been satisfied.

If the Escrow Release Conditions are not satisfied prior to escrow release deadline, all of the escrowed funds plus accrued interest, if any, will be returned to the purchasers of the Subscription Receipts in accordance with the terms of the Engineer Private Placement. To the extent that the Escrowed Proceeds plus accrued interest, if any, are not sufficient to repay the purchase price for all Subscription Receipts, Engineer and Blind Creek will satisfy any shortfall.

There can be no assurances that the Arrangement will be completed on the terms set out above, or at all. The Arrangement contains a number of risks and uncertainties, some of which are set out in the January 19, 2018 press release and which will be set out in greater detail in the information circular to be prepared in connection with the Arrangement as Blind Creek seeks shareholder and court approval for the Arrangement. Blind Creek will retain the right not to proceed with the Arrangement in the event that the Board of Directors of Blind Creek determines that it is not in the best interests of Blind Creek to proceed; however, if the Arrangement is completed there can be no assurances that Engineer will be able to maintain a listing on a stock exchange or that the Engineer Gold Mines Project will yield economic mineralization results. The Arrangement is subject to regulatory, stock exchange and shareholder approval, any of which may not be forthcoming. While Blind Creek intends to complete the Arrangement in a manner that does not produce unfavourable tax results for Blind Creek, Engineer or the shareholders, there may be adverse tax consequences – each shareholder should consult with his, her or its tax advisors to understand the tax implications of the Arrangement. Please see the section entitled “Cautionary Note Regarding Forward-Looking Statements” for further risk and uncertainties associated with the Arrangement.
