PDAC is proud to be the leading voice of Canada's mineral exploration and development community since 1932. With over 7,500 members around the world, their work centres on supporting a competitive, responsible mineral sector.

The annual PDAC Convention is the world's premier international event for the minerals and mining industry. It has attracted more than 25,000 people from 135 countries in recent years.

About Engineer Gold Mines Ltd.

Engineer Gold is focused on the exploration and development of the 100%-owned, 14,020 ha Engineer Gold Mine Property, centered on the Historic high-grade Engineer Gold Mine situated 32 km southwest of Atlin, B.C. Previous work has identified a small, Inferred high-grade gold Mineral Resource, numerous high-grade vein and shear-hosted bulk-tonnage gold exploration targets and a modest, high-grade gold production opportunity. Engineer Gold is fully permitted for surface and underground exploration drilling, small-scale test mining and on-site milling at the Engineer Gold Mine Property.
